

SECURITY AND ALARM INSTALLATION PROGRAM

Amerisure and Venture Agency Holdings (MI), one of the leading providers of security and alarm insurance have entered a partnership delivering specialized insurance solutions for security guards and alarm installers through AMP (Amerisure Programs).

AMP takes a holistic approach by working closely with Amerisure's risk management and claims teams to craft the best solutions to meet the client's needs. This, in conjunction with Venture Programs deep expertise, as a leading risk management & insurance solutions provider in the United States (measured in premium volume) for security guard and alarm installation businesses, makes the team uniquely qualified to deliver superior service.
