

## AMERISURE POLICYHOLDERS HAVE ACCESS TO OSHA 10 AND 30 HOUR TRAINING ONLINE!

Through Amerisure's partnership with **Evolved Safety**, policyholders can conveniently access OSHA-authorized online training designed to help strengthen workplace safety knowledge and reinforce OSHA compliance best practices.

These self-paced, mobile-ready courses allow workers to complete training on their own schedule while supporting engagement, comprehension, and retention. Courses are available in both English and Spanish, and workers have six months to complete training once started.

### AVAILABLE COURSES:

**General Industry and Construction** curriculum available

**OSHA 10-Hour Training** — \$69

**OSHA 30-Hour Training** — \$150

### HOW TO REGISTER:

- Visit [evolvedsafety.com/amerisure](https://evolvedsafety.com/amerisure). Scroll to the middle of the page to view available course offerings.
- Select the desired course(s) and add them to your cart. Complete checkout and payment directly through the **Evolved Safety** website.

### HOW REIMBURSEMENT WORKS:

- Once a course has been successfully completed, send completion certificates to [RiskManagement@amerisure.com](mailto:RiskManagement@amerisure.com)
- Amerisure will reimburse eligible course costs by check mailed directly to your company.
- Reimbursement applies only to successfully completed OSHA 10 or OSHA 30 courses.
- Policyholders are eligible for reimbursement of up to 10 completed courses per policy year.

For questions about these safety recommendations or additional workplace safety support, contact your Amerisure Risk Management Consultant or email [RiskManagement@amerisure.com](mailto:RiskManagement@amerisure.com)
